Dear NHQHA member,

Thank you for your continued interest & support in the New Hampshire Quarter Horse Association. We are excited about all that our club is offering in 2008.

The changes to the Schedule for Year End Awards can be found on our website www.nhqha.com - please be sure to check it out so you can be familiar with the show rules and guidelines.

Included in this mailing are the current forms for all those interested in competing for year end awards. An "Intent To Show" form is required for anyone to be considered for year-end awards. Please include the \$10.00 processing fee with your form. This is required before any points will be counted.

Another change this year is the Show Notification Form for all AQHA shows. This form should be submitted after every show, and will ensure that all placings are recorded correctly. All that is required on the form is a list of the classes you participated in. Results will be confirmed by the points secretary once the results are final from AQHA. With thousands of pages of results to gather information from, this will ensure that every member's points are counted, and none are overlooked.

Finally, we are excited to open up the AQHA show circuit to all shows in Region 6. Please check our website for details! We wish you a safe & successful 2008!
